Haslemere Parochial Church Council

Report of the Trustees for the Year Ended 31 December 2023

The members of the Haslemere Parochial Church Council ("PCC") present their report together with the Financial Statements for the year ending 31 December 2023. The PCC has adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the Charity.

AIM AND PURPOSES

Haslemere PCC has the responsibility of co-operating with the incumbent in promoting in the ecclesiastical parish, the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

Haslemere PCC has maintenance responsibilities for the churches of St Bartholomew and St Christopher, the parish building known as The Link, Derby Road and Church Cottage, Chatsworth Avenue, all in Haslemere.

OBJECTIVES AND ACTIVITIES

Objectives

When planning our activities for the year, the incumbent and the PCC have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, we try to enable parishioners to live out their faith as part of our Parish community through:

- Worship and prayer, living the gospel and developing their knowledge and trust in Jesus
- Provision of pastoral care for people living in the Parish
- Youth, missionary and outreach work
- Support for St Bartholomew's school

To facilitate this work it is important that we maintain the fabric of the Churches of St Bartholomew and St Christopher, The Link and Church Cottage.

Strategies and Activities in Pursuing these Objectives

The following committees or teams have met as and when required during this year:

- Standing committee
- Pastoral
- St Christopher's
- Youth and children
- Link Community Hub working group

Reports from these committees and other activities are presented to the Annual Parochial Church Meeting (APCM), together with the Churchwardens' reports on buildings and fabric and reports from the Safeguarding Officer and the PCC Secretary.

ACHIEVEMENTS AND PERFORMANCE

The PCC met six times during the year. Sub Committees, including the Standing Committee, met between PCC meetings and reports of their deliberations were received by the PCC. The PCC has relied on email to keep communication open and to seek input between meetings.

Incumbent

The Rev'd Christopher Bessant has been Rector since August 2019.

Assistant Clergy

Rev Justin Manley-Cooper completed his training in the parish. He was licensed as an Associate Minister in June 2023 and takes a leading role in engaging with the businesses of Haslemere

Electoral Roll

At the end of December 2023 there were 207 parishioners (2022: 201) on the electoral roll of whom 34 were resident outside the parish.

Deanery Synod

Three members of the PCC sit on the Godalming Deanery Synod. This provides the PCC with a link between the Parish and the wider structure of the Church.

Mission and Evangelism

The Parish is committed to outward giving to both religious and local secular charities at a rate equivalent to 4% of its voluntary income, and organises specific fund raising events to assist in meeting this target.

Youth Ministry

The Parish has employed Victoria Martin, a Families and Youth Worker, since January 2020. Following the success of this role the Parish extended its Youth Ministry to employ Verity Sutherland, an Older Families and Youth Worker, in 2021. The cost of this ministry is covered in full by the Haslemere Religious Education Fund.

During the year a new group (known as Summit) for over 12s was established. Activities for young children now take place during the First Sunday Eucharist and have replaced one of the "Families@4" services.

PCC Staff and the Contribution of Volunteers

The PCC employs a Parish Administrator, a Childrens and Families Worker and a Children and Families Worker for older children. Two other individuals are self-employed.

Much of the administrative work of the PCC is carried out by volunteers particularly where they have specific skills. The work of generating funds falls on the entire membership of the Parish.

FINANCIAL REVIEW

Financial Position

2023 saw a continued positive financial outcome which was a result of:

- careful management of expenditure against the headwinds of inflation and in particular continued high energy costs
- an increase in regular giving, in part resulting from recruitment of new givers, but also a direct result of 50% of regular giving now being index linked
- two bequests received totalling £18,692. In accordance with PCC policy these were placed in the Building Fund for major repairs or improvements

The Building Fund now stands at £153,829 (2022 - £162,410) after £47,512 (2022 - £51,213) incurred on major items of expenditure during the year.

Our aim is for regular giving to cover our day to day running costs (the Parish Share, administration, utilities, minor repairs etc) with a small surplus in hand; and this we achieved.

Once again our Youth Work, including the new choir, was covered in full by a grant of £44,629 (2022 - £53,901) from the Haslemere Religious Education Fund. We are most fortunate that this charity which owns the old school building in Chestnut Avenue exists to fund our youth work.

Major expenditure was incurred on the Link Community Hub project (£34,191), St Barts (9,061) and £4,260 on a new dishwasher and printer in the Link.

Haslemere Parochial Church Council

Report of the Trustees - continued for the Year Ended 31 December 2023

Reserves Policy

It is PCC policy to hold a balance in unrestricted (including designated) funds of approximately six months' unrestricted expenditure (excluding Parish Share) to cover contingencies. The balance at the end of 2023 was £251,260 (2022 - £239,209), which comfortably exceeds six months such expenditure.

Charity Constitution

The Parochial Church Council forms part of the United Benefice of Haslemere with Grayswood and is part of the Diocese of Guildford within the Church of England. It was registered with the Charity Commission as Charity Number 1127927 from 5th February 2009 under the formal title "The Parochial Church Council of The Ecclesiastical Parish of Haslemere."

The Church of St Bartholomew is located in Church Hill, Haslemere, GU27 1BW and St Christopher's Church is on St Christopher's Green, Haslemere, GU27 1DD.

Recruitment, Induction and Training

By joining the Electoral Roll members of the Church have declared themselves to be in sympathy with the Church of England. They are then eligible to vote at the Annual Parochial Meetings to elect both the Churchwardens and the Council. All members are encouraged to consider standing for the Council. Members are appointed to use their skills and experience and thus no specific induction training is required except for those who are appointed for the first time. New members are therefore directed to the Charity Commission website and in "Search" ask "How to be an Effective Charity Trustee" which then points to "Signpost to Our Published Guidance That Will Help You" and CC3, "The Essential Trustee: What You Need To Know."

Management of the Major Risks to which the PCC is Exposed

The PCC maintains a constant and ad hoc review of the major risks to which it is exposed in both operational and financial areas.

The Churchwardens and Deputy Wardens keep a watch on the fabric and operational (particularly Health and Safety) aspects of the buildings and their services and the Finance Committee monitors all finance matters with regular reports to the PCC. The PCC complies with the duty under section 5 of the Safeguarding and Clergy Discipline Measures 2016 (duty to have regard to the House of Bishop's guidance on safeguarding children and vulnerable adults). The PCC is satisfied that systems are in place to mitigate exposure to risks identified and that the necessary certificates in respect of insurance, electrical, gas and fire safety are in place.

Notes to the Financial Statements - continued for the Year Ended 31 December 2023

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102, effective 1 January 2015), Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Charities Act 2011. The financial statements have been prepared under the historical cost convention with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Statement of cash flows

As a small charity advantage has been taken of the exemptions and a statement of cash flows has not been prepared.

Income

Planned giving, collections and donations are recognised when received. Gift aid refunds are recognised when the donations to which they relate is received. Grants and legacies are accounted for when the PCC is legally entitled to the amounts due. Dividends are accounted for when receivable, interest is accrued. All incoming resources are accounted for gross.

Expenditure

Grants and donations are accounted for when paid over, or when awarded, if that grant creates a binding or constructive obligation on the PCC. The diocesan parish share is accounted for when due. Amounts received specifically for Youth Work and Mission are dealt with as restricted funds. All other expenditure is generally recognised when it is incurred and is accounted for gross.

Tangible fixed assets

Consecrated and benefited property is not included in the accounts in accordance with s.10(2)(a) and s.10(2) of the Charities Act 2011.

Movable church furnishings held by the Incumbent and Churchwardens on special trust for the PCC and which require a faculty for disposal are inalienable property, listed in the parish's inventory which can be inspected (at any reasonable time). For inalienable property acquired prior to 2000 there is insufficient cost information available and therefore such assets are not valued in the financial statements. Subsequently no individual item of inalienable property has cost more than £1,000 so all expenditure has been written off when incurred.

No cost information is available for Church Cottage. The house is included at a valuation provided by the trustees.

The memorial walls at St Bartholomew's and St Christopher's are depreciated on a straight line basis over 10 years.

Equipment used with the church and other PCC premises is depreciated on a straight line basis over 4 years. Individual items of equipment with a purchase price of £500 or less are written off when the asset is acquired, except for laptops which are written off to expenditure in the year of acquisition.

With effect from 2019 fixed assets which are acquired as gifts or as a result of fund raising are charged in full in the year of acquisition.

Notes to the Financial Statements for the Year Ended 31 December 2023

1. ACCOUNTING POLICIES - continued

Taxation

Haslemere Parochial Church Council is a registered charity and has no tax liability on its income for the year. Tax recovered from voluntary income received under gift aid is recognised when the related income is received and is allocated to the income category to which the income relates.

Debtors and creditors receivable/payable within one year

Debtors and creditors receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Cash at bank

Cash is held at transaction price and represents funds available to the PCC with no notice period.

Fund accounting

Restricted funds represent (a) income from trusts or endowments which may be expended only on those restricted objects provided in the terms of the trust or bequest, and (b) donations or grants received for a specific object or invited by the PCC for a specific object. The funds may only be expended on the specific object for which they were given. Any balance remaining unspent at the end of each year must be carried forward as a balance on that fund. The PCC does not usually invest separately for each fund.

Designated funds represent funds that the PCC has "designated" should be used for specific purposes but the PCC retains the rights to "undesignate" them if it seems appropriate to do so.

Unrestricted funds are general funds which can be used for PCC ordinary purposes.

2. TRUSTEES' REMUNERATION AND BENEFITS

There were no trustees' remuneration or other benefits for the year ended 31 December 2023. Trustees were reimbursed small amounts relating to expenditure made on behalf of the PCC.
